716 DENTAL is the Official Dentist for Miss NY (Miss New York 2013, 2014, and 2018 also became winners of the Miss America title as well). We have had the opportunity to support and empower women beyond our services, not only by promoting health & beauty, but also the greater cause of education. Every year we offer a scholarship to the winner of Miss New York. This year's winner Nia Franklin also won the title of Miss America 2019. Miss New York/Miss America winners are role models for their communities and with education comes everlasting beauty that liberates women. Celebrate women with us on March 8, International Women's Day, by participating in a raffle to enjoy this year's Miss New York competition, including two tickets to the event. Last years Miss New York was held at Sheas Theatre! Our raffle is open to all new and existing patients who receive treatment from March 1st, 2019 until June 1st, 2019.
