

Todd E. Shatkin, D.D.S.

Changing the lives of patients
Locally, Nationally and Worldwide.

Suffering with **LOOSE DENTURES?**
Embarrassed to Smile because of **MISSING TEETH?**

MINI DENTAL IMPLANTS are the
AFFORDABLE SOLUTION for you!

Locally

Dr. Shatkin has placed over 15,000 Mini Dental Implants and has changed the lives of his patients in Western New York one smile at a time. Dr. Shatkin's patented F.I.R.S.T. procedure with Mini Dental Implants has made replacing Missing Teeth, Stabilizing Dentures simple and less invasive. In fact, Dr. Shatkin has developed the Fix on Six procedure that eliminates the need for dentures.....**NO MORE DENTURES!**

The Mini Dental Implant procedure is Five times less:

Less Invasive, Less Discomfort, Less Healing time, Less visits to the dentist and is Less than half the cost of Conventional Implants.

Dr. Shatkin has trained a majority of the Mini Dental Implant Dentists in WNY and has worked very hard to grow Mini Dental Implants acceptance, as a simplified dental implant surgical procedure. Dr. Shatkin also has an in house Dental Lab, to handle every case personally and professionally. Have you attended one of those Implant Seminars or have you had a consultation for implants and the cost was not affordable? Do you want a second opinion from an internationally recognized expert in Mini Dental Implants? Dr. Shatkin invites you to call his office at **(716) 839-1700** and receive a **Complimentary Consultation with x-rays.**

Nationally

Dr. Todd Shatkin has changed the lives of patients throughout the country by training over 17,000 Dentists at his Shatkin F.I.R.S.T. Training Center, located on Kensington Avenue in Amherst, New York, along with other cities throughout the country. Eight months during the year, Dr. Shatkin and his staff host 50-70 dentists from around the world at the Kensington Avenue Training Centre. This has a positive economic impact to the WNY community. When the doctors leave our location, they have the ability to perform the Shatkin F.I.R.S.T. procedure and change the lives of their patients.

Worldwide

Dr. Shatkin has his Global Headquarters, Shatkin F.I.R.S.T., located at 2495 Kensington in Amherst, NY. This 14,000 sq. ft. building has been completely remodeled and contains a Case Planning Department, Sales and Marketing Department, along with his Shatkin Full Service Dental Lab, which has completed more than 375,000 restorations. His staff services over 3,500 customers and Shatkin Distributors worldwide. Distributors cover all Asian markets, Australia, Europe, South America, Middle East and Canada among others. As you can see in the photo, we are proud to fly the flags of our international customers. This group continues to grow as Shatkin F.I.R.S.T. grows.
